Umpire Development

2023 has been going well for our umpires, with three C badges awarded since the start of the season. These umpires showed great promise in 2022 and with a bit more coaching, it didn't take them long to prove their ability on women's Second Grade. For more see page 2...

High School & Boys Netball Roster

Registrations for the STNA High School & Boy's Netball Rosters are now open!

These Roster's are played on Tuesday's at 4& 5pm.

With Grade 7, 8, 9, & 10 competitions and Boys 7/8 and 9/10 Competitions there's something for everyone.

Umpiring opportunities are also available, please see page 6 for more...

Round 6 SENA

Round 6 was split across three venues including STNA, AYC and SENA. We have been grateful to have had the chance to have two rounds at SENA this season, the days have gone smoothly and we have had a great turnout. We hope to continue this collaboration in future seasons!

Round 8

Umpire Development

2023 has been going well for our umpires, with three C badges awarded since the start of the season. These umpires showed great promise in 2022 and with a bit more coaching, it didn't take them long to prove their ability on women's Second Grade. The successful umpires so far are:

- Olive Derham from Cripps Waratah (plays U17/1) (Pictured left)
- Dani Shields from Jets (plays 3rd Grade and is Club President) (Pictured right), and
- Rhohan Jackson (plays U17 Boys roster) (Pictured middle)

STNA looks forward to watching these umpires develop further as the season progresses.

In other news, we have been making a valiant effort to cover all the Blue Development umpires with appropriate coaching. Unfortunately we have had to disband the Gold Development Group as a concept, as several umpires could not make the commitment to assist with mentoring. This has meant that senior umpires are coaching many umpires across Wednesday, Thursday and Saturday, including Blue umpires, potential C Badges, as well as badged umpires. We now have to re-assess where our efforts are best placed to get the best outcomes for our up and coming umpires.

Finally, a quick reminder to all players, coaches and spectators – if you have an issue with an umpire, please do not approach them directly (unless you are the Captain and you are clarifying a rule), and please refrain from making audible comments, especially around junior umpires. If it is a serious problem, please find a senior umpire or go and talk to the office. We want STNA to be a safe, fun learning environment for players, coaches and umpires. IF you think you can do a better job umpiring, please come and see me or the office and we can give you a whistle and game the following week.

Round 8

Dean's Farewell

Last week we said farewell to our Centre Manager, Dean Jackson.

Dean has been a valuable part of the STNA team for the last 2 years working tirelessly to keep our centre looking great, and being a friendly face around the centre through the week and on competition days!

Dean always put STNA members first and has always had their best interests in mind when working on new deals and obtaining government grants.

We would like to thank Dean for all his work here with STNA and we wish him all the best in his future endeavors.

We are excited to keep him as a part of our community through the AYC Netball Club!

Round 8
