Floor Board Damage

Many of you may have seen the media coverage of the broken floorboard in Stadium 1 that occurred during a Hobart Chargers match. The damaged floorboard was an unfortunate occurrence, and was fixed quickly, with no impact to games that weekend. There has been some further media coverage about the incident, with concerns raised by The Hobart Chargers about the standard of basketball playing facilities in southern Tasmania (including ours). Alison Lai has been in contact with the President of The Hobart Chargers to seek an opportunity to discuss their concerns away from the media.

Court 1 Parking

Further damage to the goal posts on Court 1, and a number of oil spills have occurred on Court 1 due to cars parking on the court. To ensure no further damage, **parking is no longer permitted on the court.** A message has been sent to all clubs, and other Centre users (including The Hobart Chargers).

Regrading

A second round of Regrading has been completed over the break week here at STNA. Coming rounds will be released as they are completed in the next week. Courts and times may change for grades who are not affected by regrading.

Round 12

Umpires Player

In Round 11 the Coaching Committee held the 'Umpires Player Round'. In this round a player from each match was awarded with a voucher from one of many businesses we had on offer. The Umpires Player had a broad selection criteria, from best on, to most sportsman like or the person having the most fun!

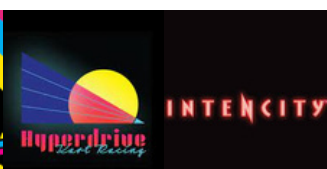

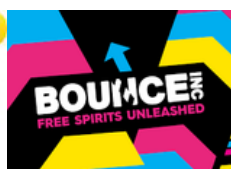

Thankyou to the below sponsors of the Round! It wouldn't be possible without your donations!
